

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is unacceptable.

All my life I believed Agencies such as FCC were protecting freedom and fairness. Your recent decision not to take action on the Sinclair situation is disappointing and wrong. Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you.
